FOREWORD

The Directorate General of Anti-Dumping and Allied Duties has been publishing its Annual Report for the past several years. The legal text of the Anti-dumping Agreement and the national legislation on anti-dumping has been an integral part of the annual reports.

From this year, the legal text is being published as a separate booklet for the sake of easy reading and also to serve as a useful and handy ready reckoner. This booklet titled "Compendium of Laws and Regulations on Anti-dumping" contains the relevant provisions on anti-dumping under the Customs Tariff Act, Anti-Dumping Rules and the Agreement on Implementation of Article VI of the General Agreement on Tariffs and Trade, 1994. An attempt has been made by the Directorate to incorporate the up-to-date amendments made to the Act and Rules as far as possible. The Directorate would be happy to receive comments or suggestions for further improvement in its form and content.
